1981 DEDICATION JOHN BOWEN

There is a member on the faculty of SEHS who has been here for a short time. But during that time he has become a dedicated teacher, an outstanding coach and a true friend. As a teacher he tries to make his classes fun and interesting. He is a person with whom anyone can talk and he is always willing to listen. He has earned the respect and admiration of the students, other faculty members and the entire community. It is to him that we owe the great success of our boys varsity basketball team and girls track team. It is with great pride and honor that we the Class of 1981 dedicate our yearbook to Mr. John Bowen.

1980 HOMECOMING

On September 26, the Homecoming Queen and King along with the attendants and escorts were announced as part of the evening's festivities. The Seneca East Tigers were psyched for the close encounter with Hopewell Loudon. Hopewell was the first to score but they had a big surprise coming in the last few seconds of the game. The Tigers came close to a victory but the Chieftains held us back by one point. The final score was Hopewell Loudon 7, Seneca East 6.

HOLY MATRIMONY

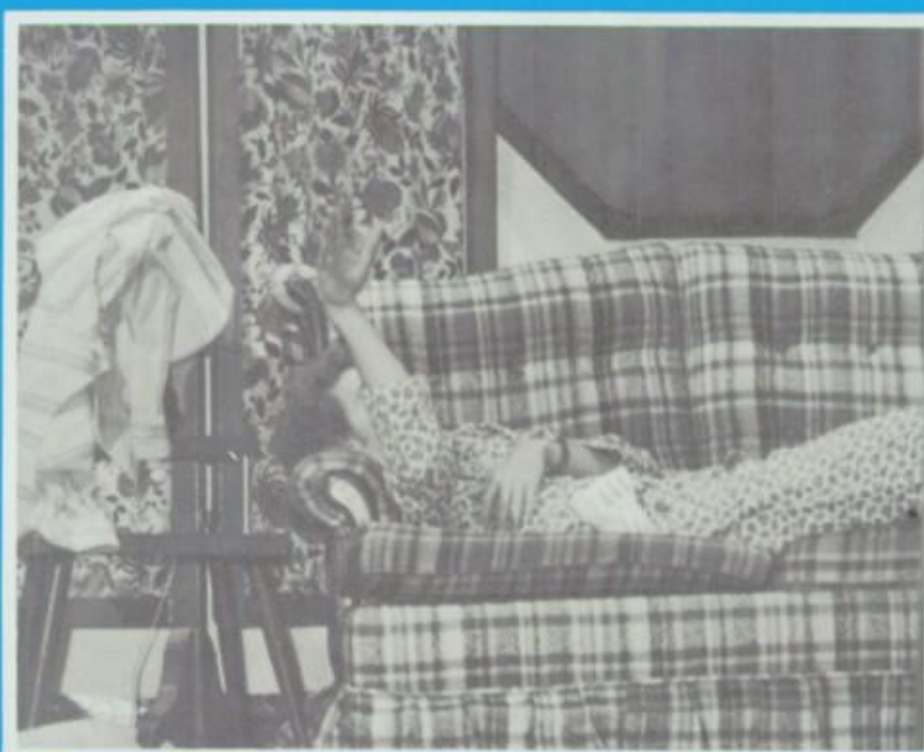

In November, the Reverend Dave Faeth joined Michael Miller and Denise Bishop in holy matrimony. The wedding took place in the Modern Marriage room with Rory Rule serving as best man and Christine Miller as Maid of Honor. Terri Steinmetz was hostess after the ceremony, serving her beautiful, double-layer vanilla cake and soft drinks.

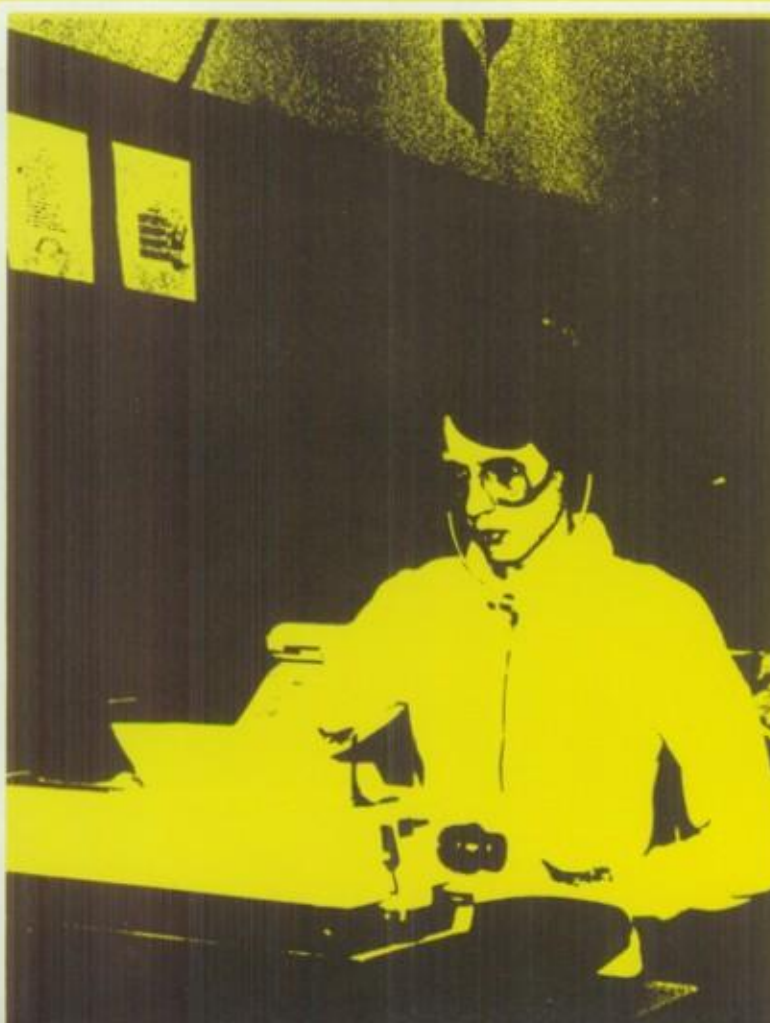

"IT'S ALL DONE WITH MIRRORS"

On November 14, and 15, 1980 on all school comedy called "It's All Done With Mirrors" was presented in the high school auditorium. The play centered around a young man and woman whose images became mixed up in a house of mirrors. The next morning when he looked in the mirror while shaving, he was surprised to see her image in the mirror looking back at him. When she looked into a mirror, she would see his image instead of hers. This situation led to many amusing incidents.

WHAT MAKES

Juniors tick to a different beat. We are often thought of as next year's seniors. We think about what the future might have in store for us. We make plans and goals and dream about marriage, college, jobs or the service.

School activities were fun and exciting. Remember all the fun times we had when we decorated the gym for prom, worrying, fussing, and becoming weary from all the work? Hoping you could get the car from dear ol' dad so you could cruise with your favorite person on the weekends. Remember how hard it was to get your licenses?

TICK?

Sitting in study hall throwing pennies. Being late for class. Trying to impress your favorite person by showing off in class. Goofing off to deserve a detention and then serving it. Ruling the school when the seniors go on their class trip.

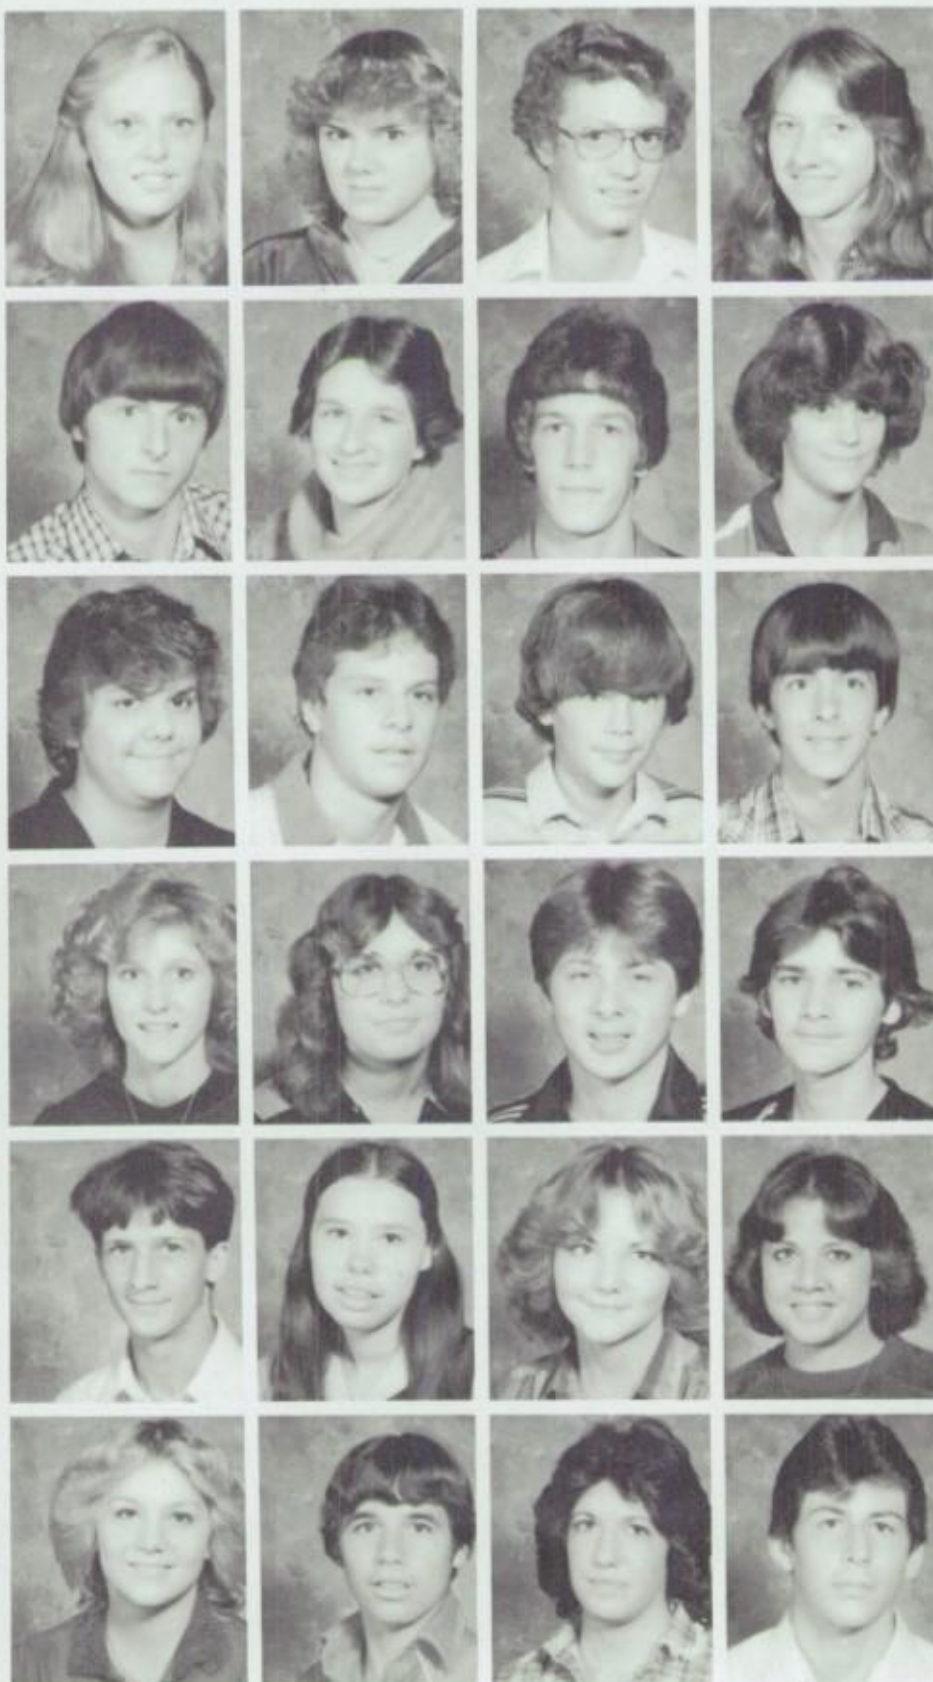

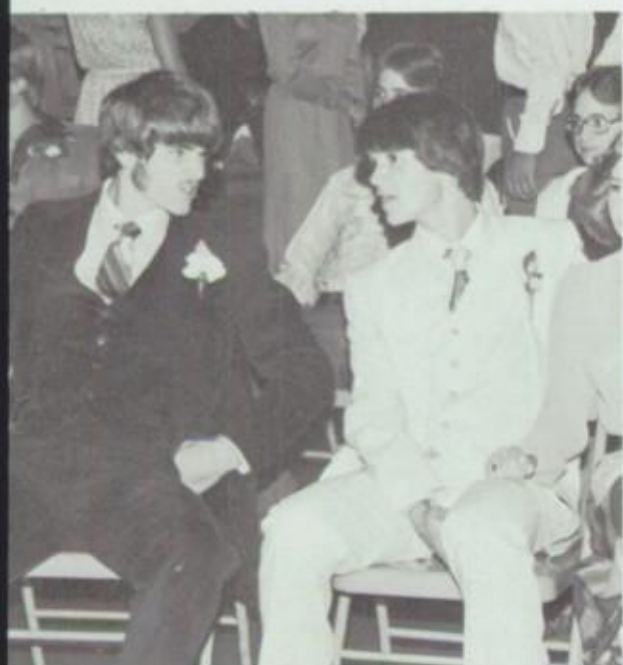

Having car washes, tiger raffles, selling Valentine flowers and magazines to make enough money for the 1981 Prom. Decorating the gym with streamers and conjuring up a theme.

All this and more make up our junior year. People are willing to help us get ready for the last year of high school ahead for the world outside. We feel we are ready.

Faculty members select the top 30% of the boys and girls in each class to be recognized. From the Seniors selected, the top five boys and girls are awarded a cash stipend to recognize them for their exemplary achievement.

All those young men and women selected from Seneca East were honored at the awards program on March 23. It was held at Old Fort High School and featured Mr. Richard Celeste, former director of the Peace Corps, as speaker.

WE, THE STUDENTS OF SENECA EAST...

Student Council is the main body for student government and is composed of four elected representatives from each class and the president of each class. Under the direction of president, Cheryl Hahler, the student council this year was involved in a large number of activities.

Perhaps the best activity has been the "Student Exchange" program with other county schools. On five different occasions, students visited other schools to attend classes and exchange ideas. Other activities included acting as hosts for events such as Open House, sponsoring a student assembly, and attending the "Leadership Conference." Members also served on a cafeteria advisory committee and had a meeting with the administration to discuss their proposals. Advisor to the student council is Mr. Clark.

Back row: Mary Jo Bischoof, Cindy Miller, Shari Miller, Tonya Killinger, and Jeri Schueler; third row: Sherri Reichert, Tracey Seasily, and Denny Shank; second row: John Schueler, Jacki Seasily, Susie Schwab, Todd Sutton, Jeff Miller, Greg Langjahr, and Mary Smith; first row: Cheryl Hahler, president; Joe Schueler, vice-president; Chris Miller, treasurer; and Alicia Depinet, secretary.

1981 TIGER PAW EXECUTIVES

The 1981 yearbook staff was a group of very hard working students. Seneca East High School was ranked among the three highest advertisers in Seneca county. This year, the yearbook staff under the expertise guidance of Editor-in-Chief, Lori Jo Legg, raised over \$3,200 in advertising, a new school record. Other school records included an addition of 16 color pages and added special effects. We had an interesting time this year with a rookie staff. We attended a Josten's yearbook workshop in the fall and our new advisor, Miss L'Italien, went to State College, Penn. to tour Josten's American Yearbook Plant. We had a very successful year which we hope is expressed in this year's book.

Chris Miller
Lisa Enders
Kelly Mobley
Sharon Snyder

Lisa Enders, Kelly Mobley, Chris Miller, and Sharon Snyder attended Girls State at the Ashland College on June 13-21, 1980. On the first day they were checked in and assigned to a city. The girls then met their roommates and fellow townspeople. There were 7 counties and in each county there were 4 cities. They had to campaign for an office that they wanted to run for. They campaigned for city, county and state offices, also at caucuses and rallies. First they had to win a nomination in their party's caucus. Next the primaries were held, which narrowed down the candidates for the state and county election. The general election was held later with the Federalists and Nationalists voting for their particular candidates. After the election, there was an Inauguration Banquet and Ceremony. Those elected to offices then began their work. They set up budgets and made up some silly and some serious taxes to pay officers and set up county services. Everyone had blank checks and no limit on money. Through the week there were many speakers, including a senator, a member of the House of Representatives, a State Highway Patrol woman and Governor Rhodes. While there, they had a "statewide disaster" declared by their elected governor. Mt. St. Buckeye erupted. There were many girls acting out the roles of the dead, injured, medics ambulances, etc. There were also many kidnappings, floods, murders and other imaginary disasters. On the last day, there was a ceremony where the girls received certificates. The girls made many new friends that they lived and worked close with.

"It was really wild when Mt. St. Buckeye erupted!!!"

STAIRWAY TO HEAVEN

At 7:00 p. m. on Saturday, May 2nd, 1981, the Jr. and Sr. Prom began. As we entered the gym, we walked over a white bridge and we were in heaven. Everyone had to sign the guest book. We were seated at tables covered with white paper with shooting stars and angels for centerpieces. Nancy Danhoff gave the invocation before the twenty angels served us; Heaven's Doves, Garden surprise, Vegetables of Paradise, Baked Clouds, and Angel's Delight.

After we dined, we were led to the auditorium, where Jacki Seasley welcomed us. Todd Sutton spoke for the Sr. class and thanked the Juniors for all their hard work and effort. As soon as that was over with, those same twenty angels put on a skit to entertain us. We returned to the gym for the dance. At 9:30 it was time for Steph Ramsey to announce the King and Queen. Jacki Seasley and John Schueler crowned the 1981 King and Queen: Joe Schueler and Manuela Burmeister. After the dance we loaded up four buses and headed for the Ritz Theatre to watch the movie "Meatballs." We came back to the school for breakfast. The evening went by too fast, but we will always have those beautiful memories.

S.E. PUTTERS

The golf team improved their record from last year by 1 win making their record 6-7 for the year. The team showed much determination and enthusiasm under the coaching of first year mentor Mike Cummings. In the Lakeshore Conference the Tiger golfers finished fourth while in the SCL they tied for second place with Old Fort. The team hopes to do as well next year despite the loss of five seniors all who earned a varsity letter this season. Members of the team are—back row: Neil Huffman, Mike Daughenbaugh, Mike Shock, Todd Sutton, Denny Dean, and Ron Shock; front row: Tim Stephens, Eric Heyman, Bill Stockmaster, Dave Keefer, Brad Neidermier, and Aaron Cole.

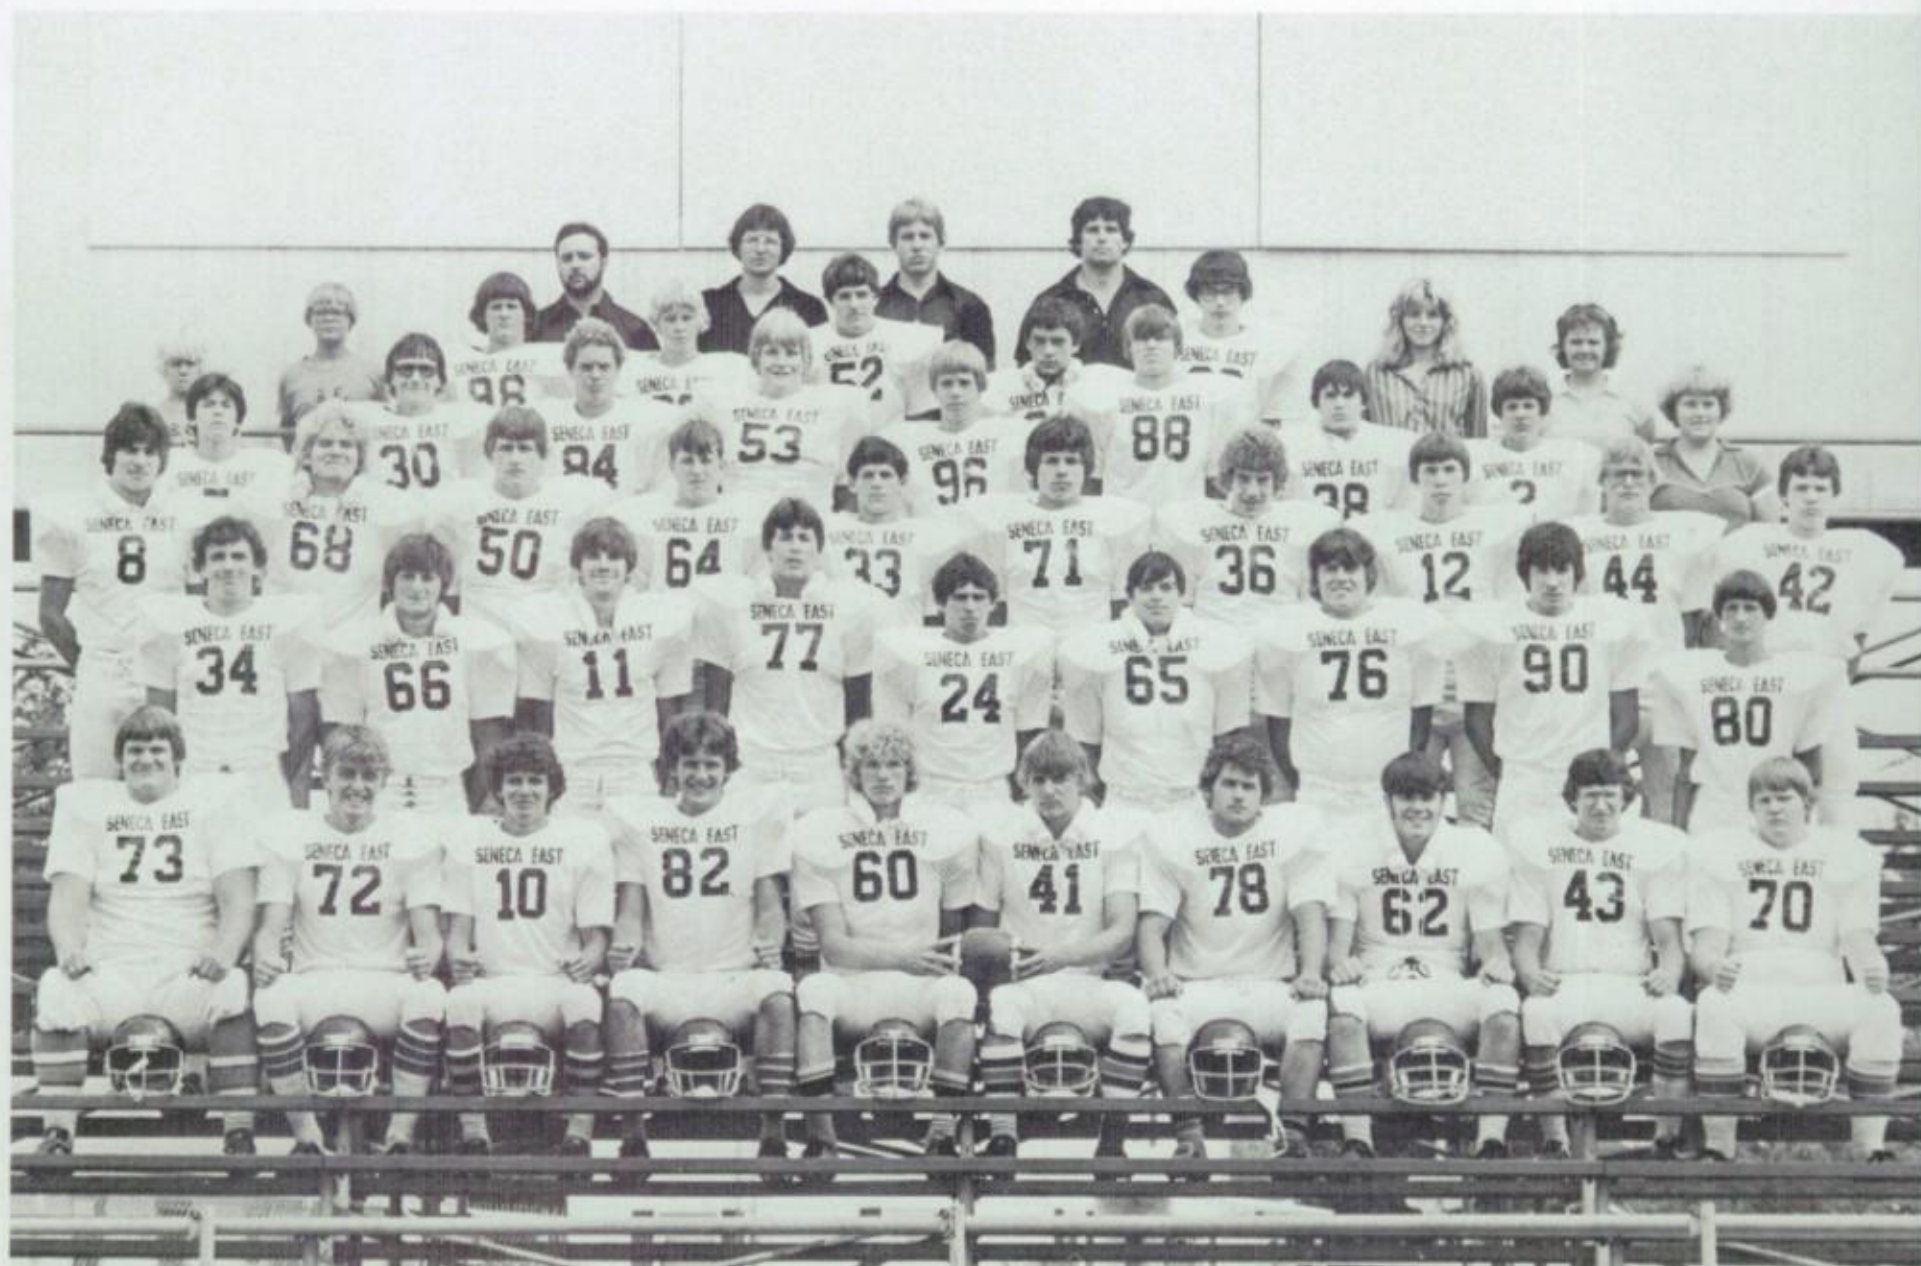

GIRL'S CROSS COUNTRY

This closely knit team of hard working girls did very well this year. Everyone gets to participate in cross country, as we have no bench and everyone is always on the first team. There is no harder working team of women at Seneca East, and the ladies are a credit to our school.

Peggie Daniel was the District Qualifier and on the SCL First Team. The highlight of the season was a second place finish in the SCL meet. The final record was 6-4.

In the picture at the right are the following girls from top to bottom: Deb Schoen, Colleen Reichert, Dawn Stallings, Peg Kochel, and Reggi Daniel. Missing: Cheryl Nims

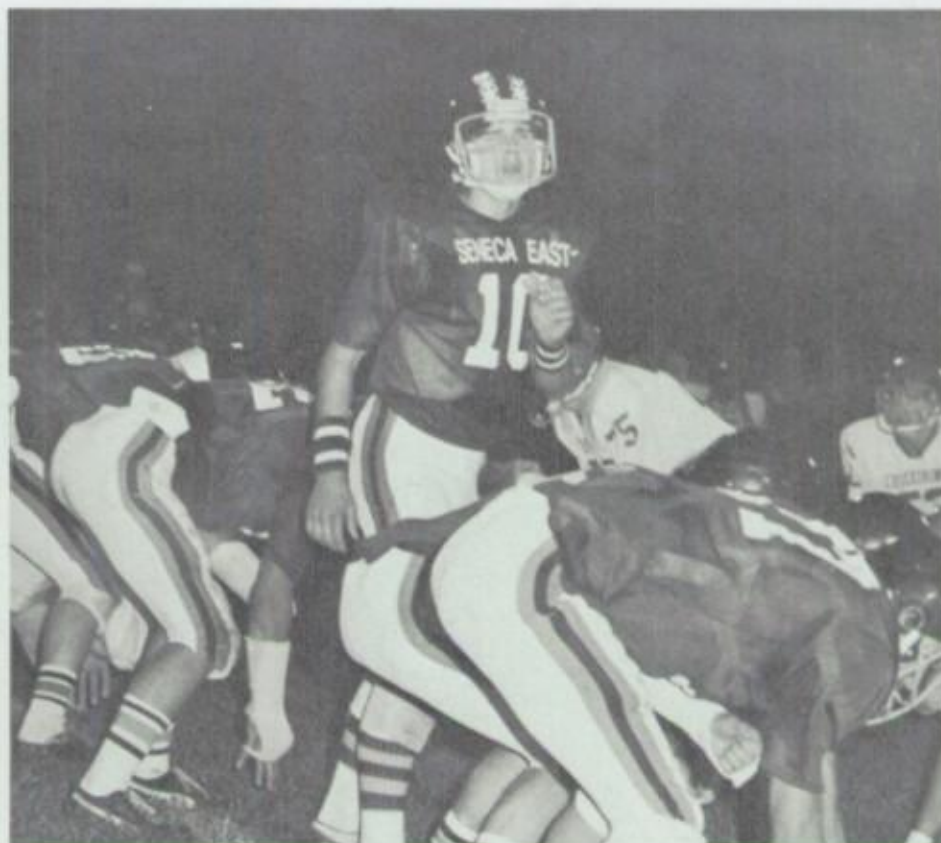

S.E. TIGERS BREAK RECORDS

The Varsity Football Team produced 3 victories this year breaking a 21 game losing streak. With 48 players on the team, this was the largest turn-out ever for a Seneca East team. Recording the first shut-out in 63 games and breaking the school scoring record of 38 points was accomplished in the game opposing Plymouth. Also this year we won our first home game ever and played our first home game under our new field lights.

Great leadership was provided by our four captains: Jim Siesel, Randy Aichholz, Gordon Bayer and Ron Daniel. Jim Siesel was honored on the All Lakeshore Conference First Team. Receiving All League Honorable Mentions were Randy Aichholz, Gordon Bayer, Mike Miller and Ron Daniel. Coaches Holbert, Schar, Hogue, and Cool all stressed PMA, Positive Mental Attitude which led our team to a memorable, record-breaking season.

J.V. FOOTBALL

The victory against Lakeside, 22-8, was the highlight of the season. The offense had total control of the ball. The final record turned out to be 2-4-1. The season had many pitfalls. Too many penalties, injuries, lack of confidence and inexperience were some of the downfalls. Although the record was not outstanding, a strong foundation has been laid for next year.

VARSITY VOLLEYBALL REACH GOALS

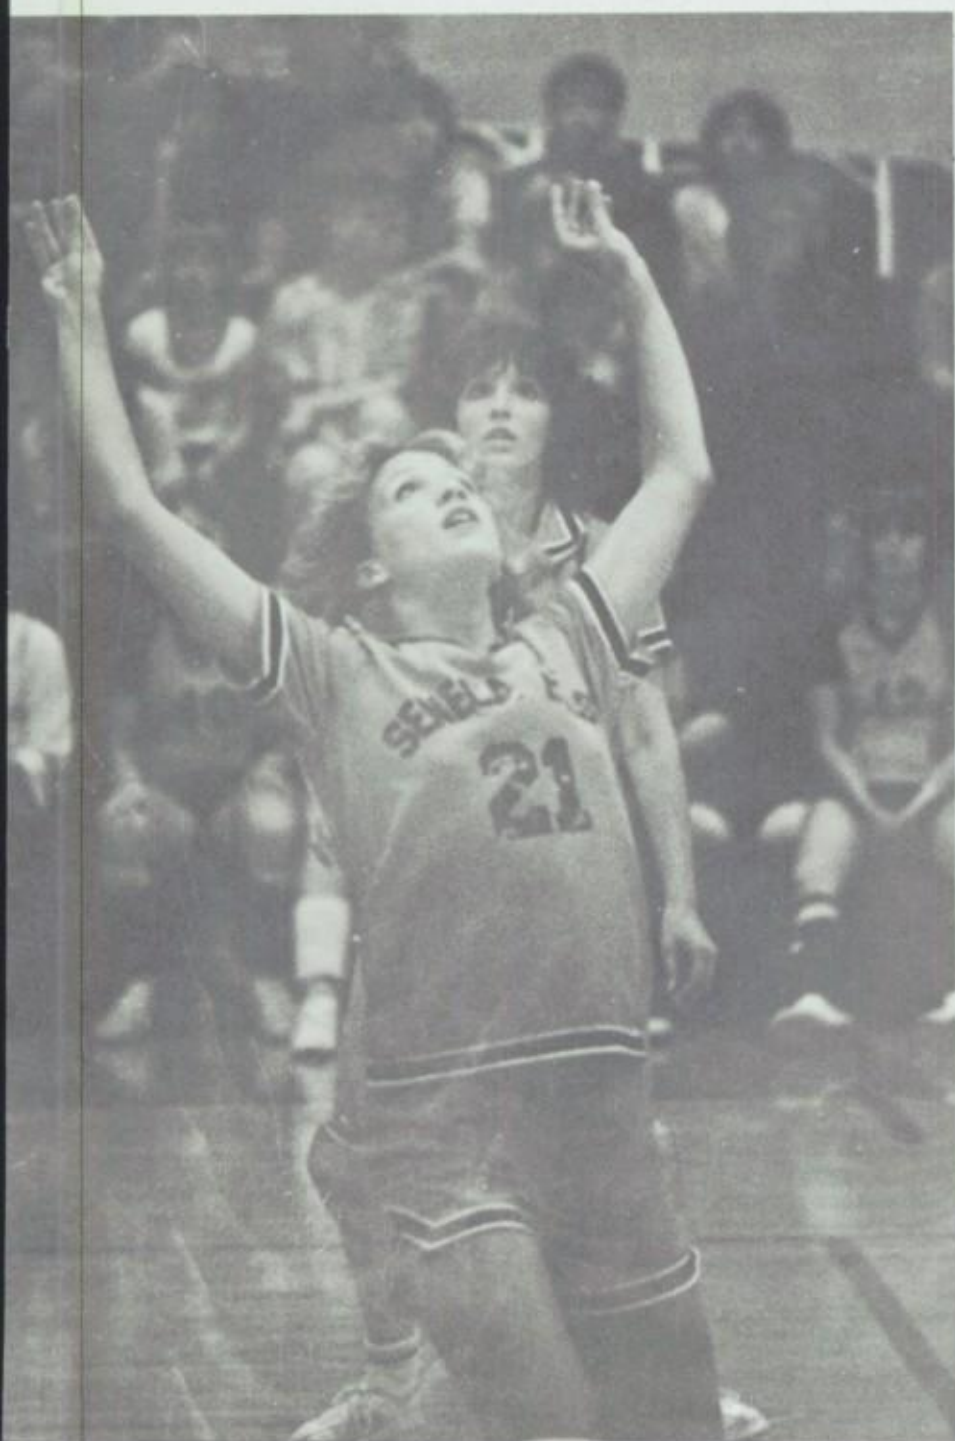

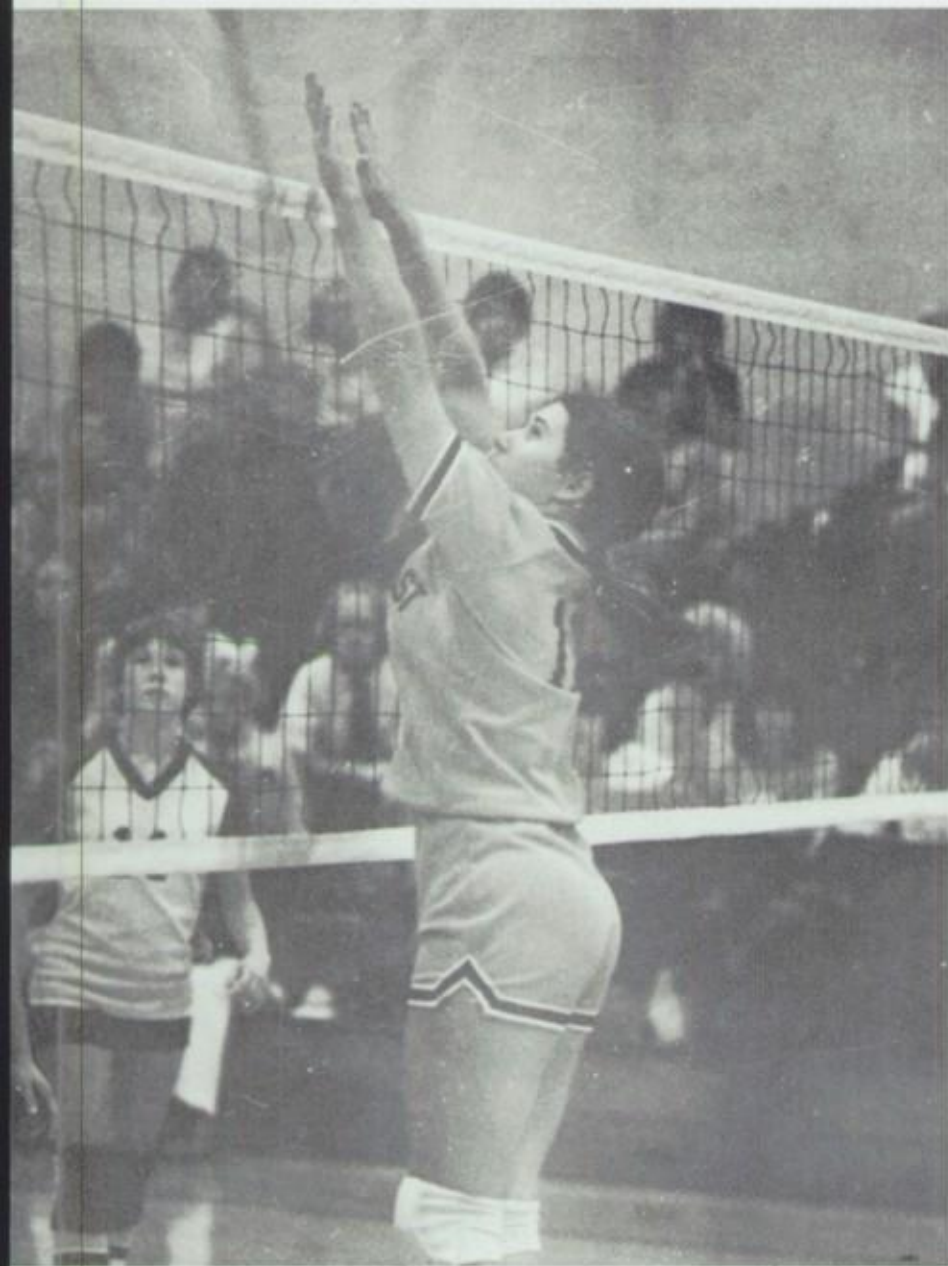

The Girls' Volleyball Team (10-11) reached many goals in 1981. We beat our rival Danbury Lakeside in two straight matches, we reached sectional finals, which was a first for Miss Sheibley and the volleyball team. We also tied N. Baltimore for 2nd place in the Lake Shore Conference.

The Lake Shore Conference awarded three honors to the following girls. Suzie Rogers received 1st Team All-LSC Conference. Jenny Benner received the Spirit Award, while the Most Improved Award went to both Becky Heydinger and Kay Thompson. Suzie Rogers was also awarded the Best All Around Award.

"This years team was loaded with talent but with a few mental errors we lost some games we shouldn't have. Hardwork, desire and knowledge of the game made us a very hard team to beat in sectionals. This team was true sportswomen in every sense of the meaning which is a real tribute to them." -Coach Sue Sheibley.

OVER THE RIVER AND THROUGH THE WOODS

The overall team record for the boys cross country was 11 wins and 8 losses. The team had only one loss each in the LSC and SCL and finished second in the Seneca County League Championship. Most of the top runners were only first year runners. The only Lakeshore Conference loss was to Ottawa Hills, 11th ranked team in state. This dedicated team defeated Class AA Wynford for first time since 1972.

Back row: Larry Rotruck, Jeff Miller, Ken Fritz, Jim Ehrman, Doug Heyman, Tracy Tusing, Bob Dunn, and John Riedel; front row: Mike Keller, Dan Klaus, Dave Keller, Denny Brown, and Greg Stallings.

FRESHMEN ICE THE CAKE

As we accomplished three out of our four team goals, we also enjoyed the entire season. We worked, but enjoyed practice and game competition. After learning a valuable lesson at Buckeye Central (both the players and the coach) when we lost 54-40, we bounced back to win all of our remaining games except the overtime loss to Plymouth. What was so valuable in losing at Buckeye Central was that both the team and the coach gained needed momentum to get better game by game. The icing on the cake was the league championship game when we blasted North Baltimore 62-38. "This was a very fun and rewarding season for me as a coach. The team is eager to play reserve and varsity basketball at SEHS. They are a gutsy group of excited and determined champion athletes. Thanks to Coach Bowen and Coach Elchert for their help in making time to give us pointers and insight into their coaching and playing philosophies. These freshman are sure to carry on the tradition of SEHS varsity champions.—Coach Cool

CHAMPS TWICE

The Tiger Reserves won their second straight Lakeshore Conference Championship this year. We started out very well winning our first seven games. We experienced a mid-season slump but bounced back to play our best basketball at the end of the season, due to teamwork and dedication. We learned a great deal about the game of basketball which will help the program in the future.

S.E. GIRLS MAKE HISTORY IN '81 SEASON

Our S.E. Girls' Basketball Team started the season in the SCL and LSC as the underdogs. With team play and determination they won both leagues despite the opposing teams' efforts to stop them.

Our girls set a new game scoring record of 73 points against Western Reserve. Annette Kessler also made three new records. She holds the record for highest individual points for one game (39) with the old record held by Rick Smith (33). Annette holds the highest shooting average per game (20.9 pts) for a season, old record held by Rick Smith (19.7 pts.). Annette holds record points for varsity carrer (1,205), old record held by Rick Smith (933).

Beating North Baltimore, New Riegel, and Danbury plus winning the SCL and LSC were the season's highlights. Other honors—Annette Kessler and Reggi Daniel placed on 1st team all SCL and LSC and Peggy Kochel placed on the 2nd team SCL and LSC. Great leadership shown through with Annette Kessler and Peggy Kochel.

Our S.E. girls were the 1st SCL and LSC League Champs and 16-4 was the best record for girls' basketball in the history of Seneca East.

This squad consisting mostly of seniors gave it their best shot to win it all by playing team ball. From the record they proved to almost everyone they had what it takes to win together. These ladies had an excellent season to look back upon.

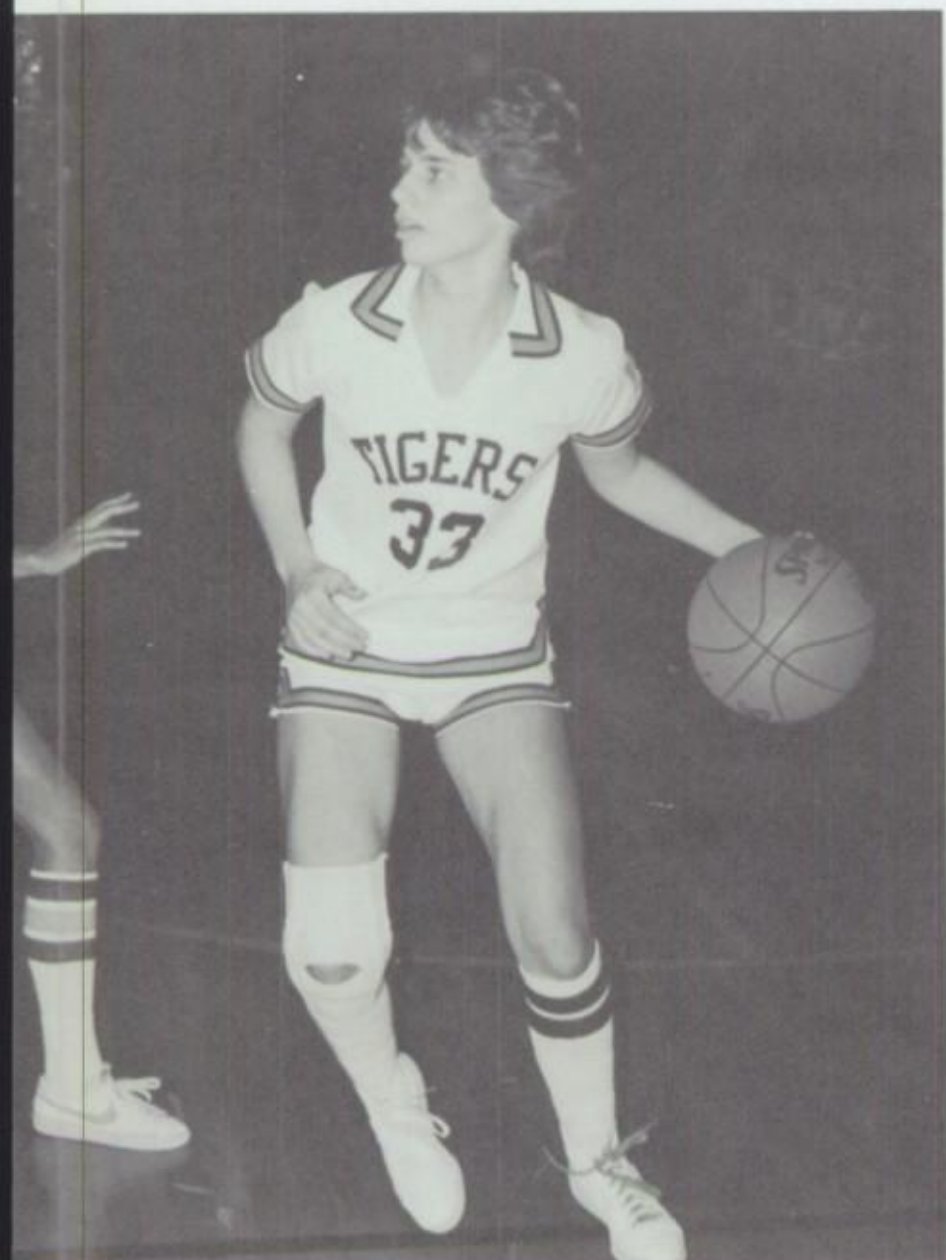

Top to Bottom: Annette Kessler, Reggi Daniel, Shelly Hay, Laura Schaaf, Lisa Reesman, Donna Hopple, Cindy Miller, Carol Ruffing, Tina Rotruck, Peg Kochel and Tammy Hall.

COACH BOWEN REBOUNDS SPIRIT

We started early as an unknown quantity winning two and losing two of our first four games. Then we jelled and won nine straight games with a real big win over New Riegel at New Riegel. We won seven straight SCL games to capture the SCL. An overtime loss at Hopewell Loudon knocked us out of the Lakeshore Conference championship, but we came back strong to win four at the end to finally fall for the last time in the district tournament. Our team improved continuously throughout the year. We played excellent team ball with seven players scoring in double figures sometime in the season. We gained much poise and confidence and it showed late in the year at North Baltimore and in the tournament. We had a very successful year and much of the credit goes to hard work, discipline, leadership and sacrifice by our seniors. The season highlights for the year were most wins (18) in the school's history, and best winning percent in school history-78%. The Toledo Blade gave us a #6 ranking. We had a nine game winning streak, the first undisputed Seneca County League Championship, and sectional Championship.

PINNING AND WINNING

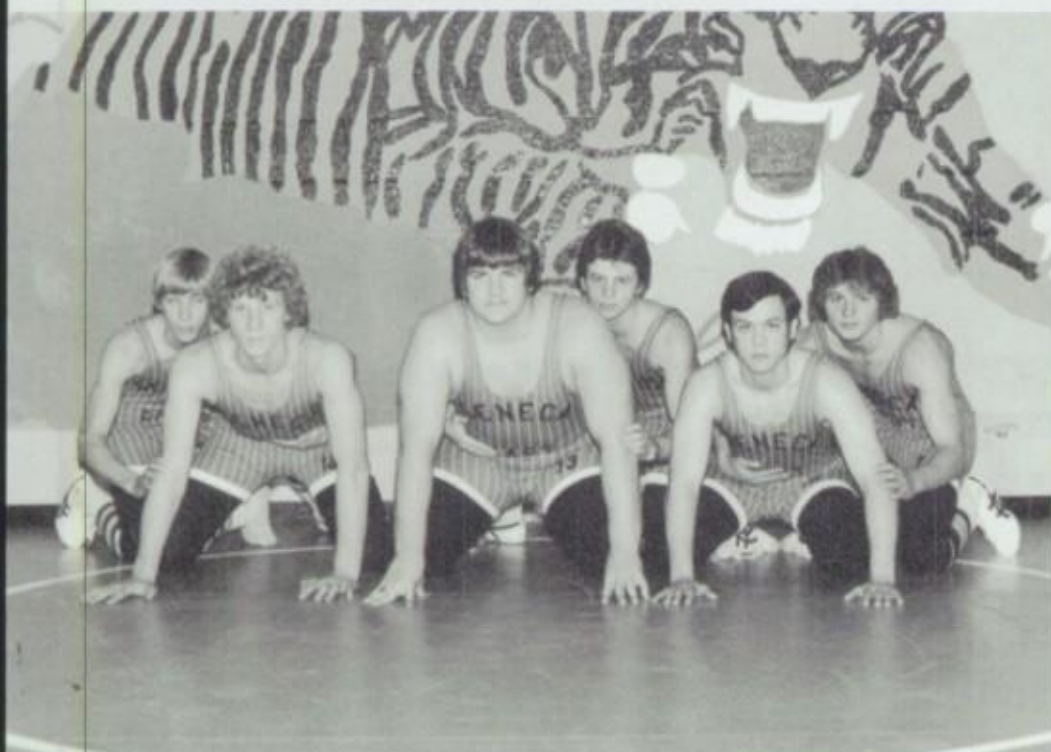

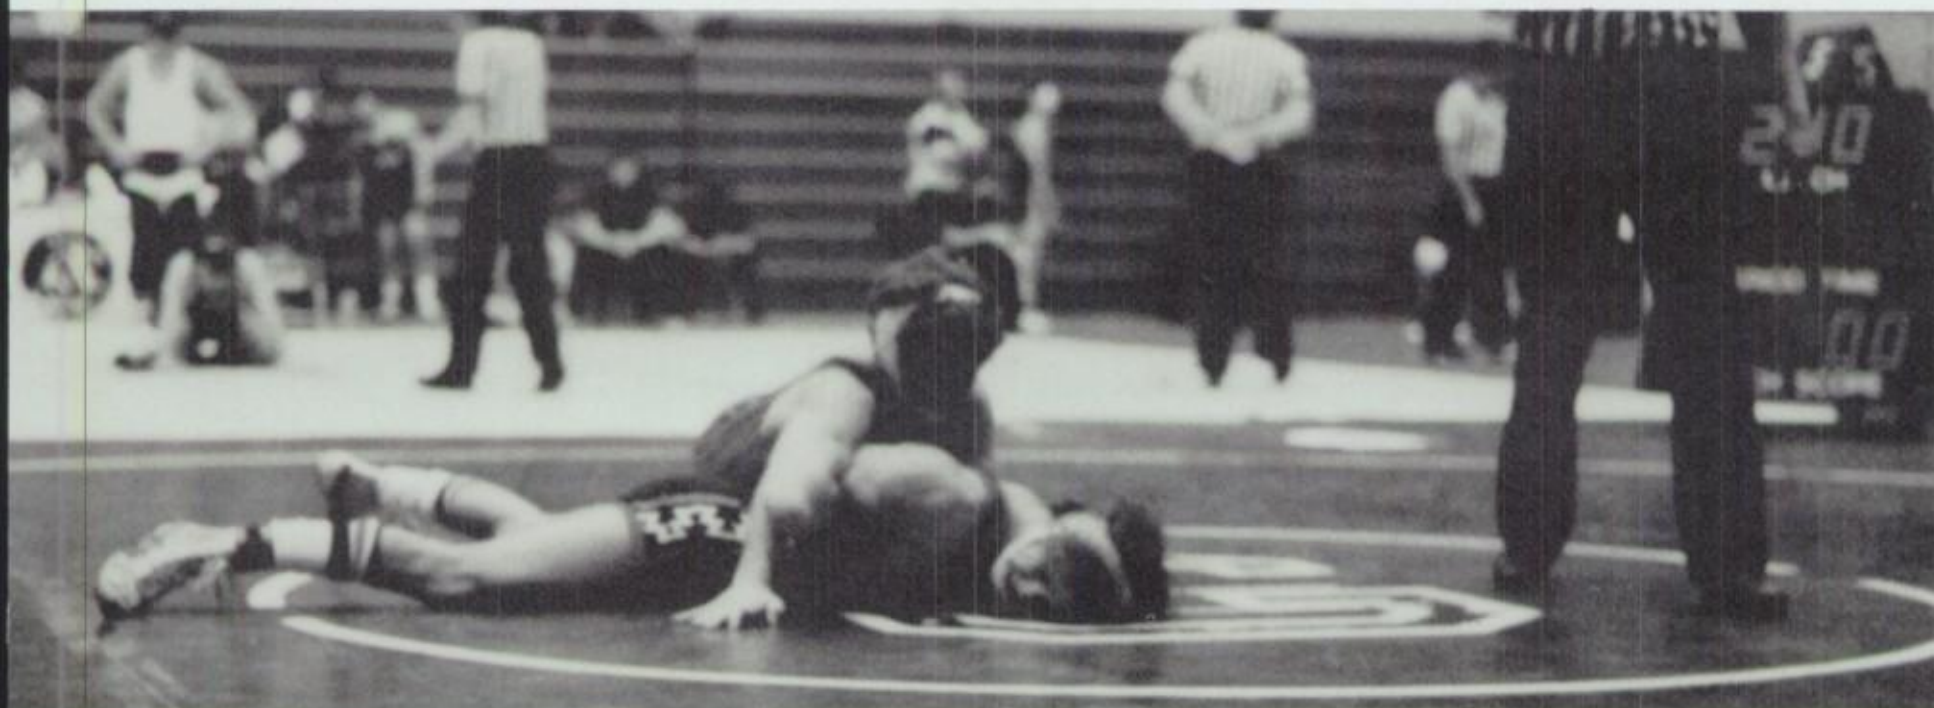

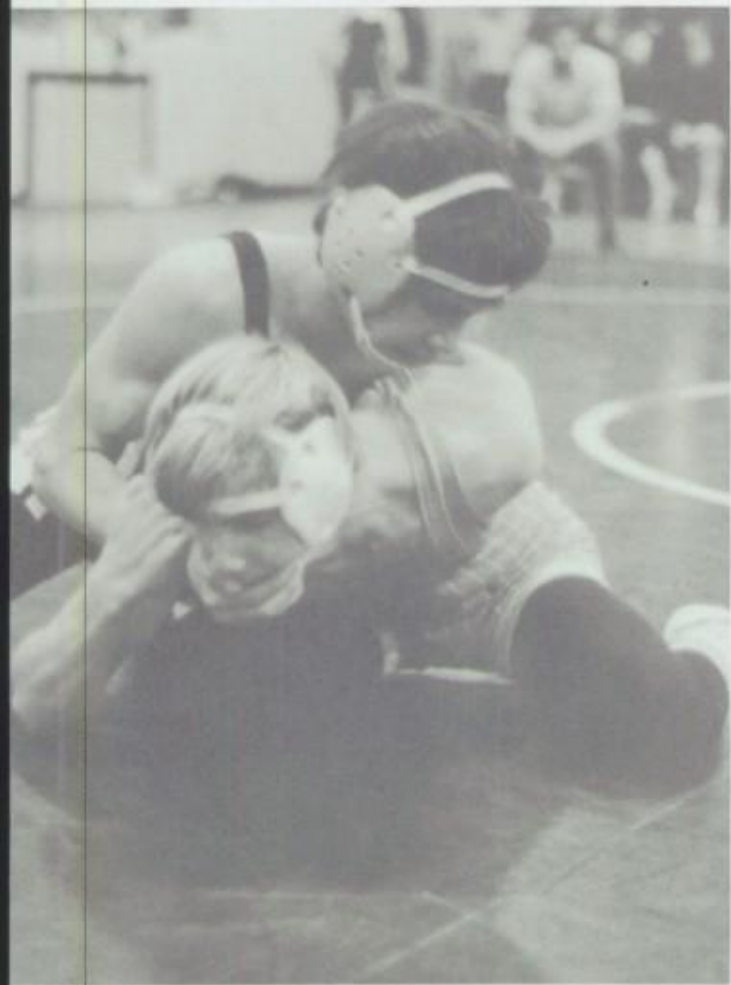

This year's wrestling team has excelled in many areas both on and off the mat. This year's seniors have shown exceptional leadership and a great ability to motivate their fellow wrestlers. A total team effort can be singled out as a major factor in the team's success. The 1980-81 Wrestling Team has won more dual matches—14—than any other Seneca East Wrestling Team. Also a record of 14 wins against 2 losses is one of the many accomplishments this team can be proud of. Other accomplishments include: First place Ottawa Hills Invitational (this is the first championship win of a major tournament), Second place Gibsonburg Invitational (12 teams), Fourth place Mohawk Invitational (Seneca East was one of the few Single A schools), Lakeshore Conference Champions and Second place finish at the Wrestling Sectionals, in which 8 out of 13 wrestlers qualified for the Districts (which is the most wrestlers ever sent from Seneca East). Three SE wrestlers also took Fifth place in the Sectionals (alternates)—one was called to participate in the Districts—totaling 9.

It takes a unique and special kind of individual to be a wrestler. Seneca East has built a fine winning tradition. This tradition was built on hard work and dedication. The wrestlers won many honors this year, GREAT JOB GUYS!!!!

Seventh grade is the beginning of a new and wonderful world for most people. It is being able to spread your friendship further than you could before. Seventh graders are able to participate in more extracurricular activities. The switching of classes is also a new experience. SEVENTH GRADE

Under first year Coach Carl Rainey, the seventh grade boys had an impressive 9-3 record for the 1980-81 season. They will be a tough eighth grade team next year.

EIGHTH GRADE

The key to the success of the eighth grade boys was their ability to play as a team. The leading scorer was Jim Schueler, the leading rebounder was Joe Miller and the assist leader was Jeff Thompson. The boys won the Seneca Co. League with a win over New Riegel in the last seconds with a shot by Jeff Thompson. They were undefeated in Lakeshore Conference with a 5-0 record.

SEVENTH GRADE

The seventh grade girls basketball team had a fun and learning experience this season. The girls improved throughout the season with a couple of very competitive games against their last couple of opponents. We look forward to watching them play again next year.

EIGHTH GRADE

The eighth grade girls basketball has a motto: "Winning is not everything but trying is." The girls in eighth grade did try and they were a nice group to work with. Our record for for Seneca County was 8-0. Our Lakeshore record was 2-2 and the Lakeshore Championship games were 0-2. The overall record was 9-5.

JR. HIGH SHOW PROMISE

JR. HIGH GRIDDERS

After losing to a tough Willard team, the Tigers played together and went the rest of the season unbeaten. The boys played tough and did the job they had to do. This year's team was a pleasure to work with. The leading scorer was Steve Davis and the defensive leaders were Tim Bloomfield and Brian Featheringill. The season's highlights were defeating previously unbeaten Western Reserve to end the season and Chip Blum had 5 TD's in one game. - - - Coach Hansen

She showed excellent running capability, and could be a great asset to the high school Girls Cross Country Team.

Millie shows potential

Millie Kochel won the local Elks Hoop Shoot at the Jr. High. She competed at Tiffin placing second.

SENIORS GET BURNT IN FLORIDA

Our class trip of 1981 consisted of 62 students and Mr. and Mrs. Clark and Mr. and Mrs. Bowen. We had two bus drivers to each bus and we took two Red Carpet buses which were very comfortable. We had one beloved tour director Nadine Francis. On Monday, April 6 we were to depart from the school at 2 o'clock. Luckily everyone arrived early and we got underway by 1:45. Our first stop to eat was in Florence, Kentucky at a two-story mall which was very interesting. Towards midnight we stopped at a McDonald's and settled in for the night. When we awoke on Tuesday morning around 7:00 we had crossed the border line to Florida. It was hard to believe everything could be so green and full when at home nothing was coming alive yet. When we arrived at the Caravan Resort Inn we were four hours early so they would only allow us two rooms. So we stored our baggage and split up. Some stayed at the pool some went to Orlando's Wet-n-Wild. Later that evening we went to Once Upon A Stage Dinner Theater and had a wonderful buffet dinner and saw the Broadway stage show "No, No, Nanette." The next morning we recovered from the big first day and stayed at the hotel until 10:00 and around 11:30 we arrived at Busch Gardens. There were many things to see and many interesting shows to go to. We left Busch Gardens at 7:00 p.m. and arrived back at the Caravan Resort Inn around 8:30. We packed that evening so we would be ready to transfer to a different motel the next night. Thursday morning came very early. We received our wake-up call at 7:30 and loaded our things on the bus by 8:30. We left the motel and arrived at Walt Disney World around 10:30. The animation was almost real, it was a very interesting day. We left Walt Disney World and arrived at the Beachcomer Inn at Daytona Beach. Each room had a door at the back of the room that you could open and the ocean was right there. Friday was ours to swim all day. Many of us (Rory Rule especially) were sun burnt badly. We had a rough trip home, those of us who were burnt. We arrived home on Saturday afternoon at 1:30. The class trip to Florida will be something we will always remember.

As time passes and the years become memories, 1981 will certainly be remembered as a banner year for Seneca East High School. The class of 1981 lead us to heights not often enjoyed at Seneca East, both academically and in extracurricular activities. Certainly we will all have many fond memories. In retrospect many specific events and achievements come to mind: the prom, class trip, district tournament, and state band contest. However, perhaps more important than the individual events is the strong feeling one has when reviewing the entire year. The feeling of caring, sharing, and pride that was reflected in every event or activity regardless of the outcome or importance. It is not often that this feeling happens, that all the elements are there and everything just ticks. No one person, program, or activity is responsible for it! Rather it is a result of students, teachers, and parents working together and subordinating individual goals for group goals. A year like Seneca East experience in 1981 is a result of everyone's efforts and certainly something of which we can all be proud. A special thanks to the Class of 1981 for your leadership- - - - Seneca East is a better place for everyone as a result of your presence and contribution. We shall all miss you!!
